To
The Director/Principal,
All Degree Engineering & Degree/Diploma Pharmacy Colleges/Institutes.

Sub: Return of original documents, if any, by concerned institutions on allotment of seats in Round III.

Sir,

The allotment of seats in Round III has been declared and reporting period by the candidates is scheduled between 18.08.2010 & 21.08.2010 at Help Centres. On declaration of seats in Round III, admission status of many students has been changed. In such cases, the student has to produce original documents at Help Centre for confirmation of admission in Round III before reporting at his new college/branch.

The Committee received complaints from students that some institutions, who have collected original certificates from the students, not return their original documents for producing at Help Centre.

The Committee, therefore, hereby informed to all institutions that the original documents of students, who have been allotted admission to any other institute in Round III and their names are not included in the admission list of the respective institute in Round III, if collected by the college, should be returned to the concerned students immediately so as to enable them to report at Help Centre within the stipulated time limit. The concerned colleges shall be held responsible for any inconvenience caused to any student due to non-compliance of the above instructions.

The list of admitted candidates in Round III has already sent to all the respective colleges via email.

Yours faithfully,

Member Secretary
