

Study In Gujarat
Education Department,
Government of Gujarat

22.07.2020

Dear Sir,

We are happy to connect with you once again. Under the aegis of 'Study in Gujarat', the Education Department, Government of Gujarat invites students from all over the country to study and grow in Gujarat! The Education Department has organized several International and Domestic roadshows with a view to promote short term, medium term and long term courses conducted by various Universities of Gujarat which received a tremendous response from all stakeholders. Our education system stands out on another high platform as far as integration of diversity is concerned.

In keeping with the spirit of 'Study in Gujarat (SIG)', the Education Department has amended the guidelines for admission to professional courses for

- Origin of Gujarat candidates studying outside Gujarat,
- All India quota candidates and
- Foreign National students

These students will now be eligible in Government Seats and Management Seats as well. The entire process is based on merit, the details of entrance examination as well as admission process will also be discussed during webinar. The Government has also initiated the registration of GUJCET entrance exam to support this endeavor.

The Education Department, Govt. of Gujarat is now hosting a webinar with the Hon'ble Education Ministers, Principal Secretary Education and the Vice Chancellors of Partner Universities to showcase the plethora of options that Gujarat has to offer to aspiring students. Admissions in Gujarat are done centrally through The Admission Committee for Professional Courses (ACPC). A presentation about the procedures to be follow by the candidate for admission to professional course will be included. The webinar is scheduled on the 25th and 26th July, 2020.

We urge you not to miss this opportunity to get firsthand information from the Government of Gujarat. The registration for the event is now open to all on the SIG website.

Kindly register on <https://study.gujarat.gov.in/Webinarregistration/index>

Thanking You,

With Best Regards

Member Secretary
